

Calculating Your Net Sales

Quick Reference Guide

1 Find Your Total Sales

Add your cash, cheques, and credit card/debit/Mydoh transactions together. This is your Gross Sales total.

2 Deduct Your Provincial Taxes

Multiply your Gross Sales total by the number under your province or territory to find your Net Sales total.

YT, AB, NWT, NU

Gross x **0.95**

SK

Gross x **0.94**

BC, MB, ON

Gross x **0.93**

QC, NS, NB, PE, NL

Gross x **0.92**

3 Find How Much You Can Take in Rewards

The percentage of Scholastic Dollars earned is based on your Total Net Sales. Make a note of how much product you have taken from the Fair when you complete your Rewards Worksheet in Online Tools. Remember to leave enough Scholastic Dollars for the \$25 Delivery Fee. To access Online Tools, please log into the Host Hub at schol.ca/x/au.
