

SCHOLASTIC BOOK FAIR

Classroom Wish List

Help teachers build their classroom libraries

By taking advantage of the classroom wish lists, you're encouraging Fair's shoppers to help stock classroom shelves with books. And every purchase at the Fair directly benefits your school with even more books and classroom resources.

HERE'S HOW THE CLASSROOM WISH LIST WORKS:

- 1** Plan a Teacher Preview for faculty members to check out books prior to the Book Fair. Don't forget to send out the Teacher Preview invite/wish lists found in your Kick-off Kit!
- 2** Create a Classroom Wish List display board to highlight the wish lists at the Fair. Showcase the display board in a prominent location at the Teacher Preview.
- 3** At the Preview, ask teachers to select books for their classrooms by filling out wish lists and sliding them into their pockets on the display board. Also, suggest teachers fill out a second wish list, attach to booklists, and send home with their students.
- 4** During the Fair, direct customers to the Classroom Wish List display board to gift books and help build classroom libraries.

Invite them to complete a bookplate, if available.
Download it from the Learning Lab at schol.ca/x/av.
