# Détectives de décodage

**Nouveaux!**

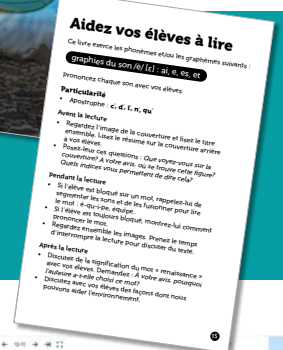

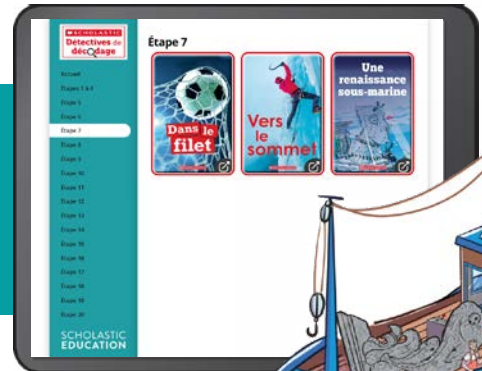

Engaging themes and accessible French vocabulary for older readers!

**Détectives de décodage : Édition numérique** is a series of 40 fictional and informational French books for older readers. The contemporary and inclusive books feature bright illustrations and photographs, engaging themes, and easy-to-understand text.

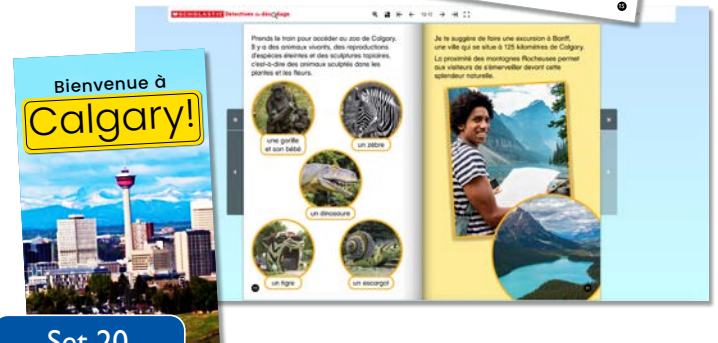

Includes all 40 books from **Détectives de décodage**, organized into 20 sets.

Each book includes a page at the end which promotes students' comprehension and vocabulary building.
