

Help Teachers Build **CLASSROOM LIBRARIES**

The Liste des souhaits de la classe program gives teachers the opportunity to let families know which books they would love to add to their classroom libraries.

Families can purchase these books at the Festival for the teacher, while demonstrating the importance of independent reading and making a contribution to others.

Here's how the Liste des souhaits de la classe program works:

#1 Host a Festival du Livre Preview

Plan a Teacher Preview for teachers to view books prior to opening the Festival.

#2 Fill Out Wish Lists

Ask teachers to write what books they would like for their classroom libraries and return it to you.

#3 Create a display

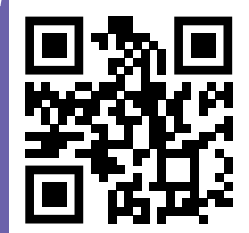

Create a Liste des souhaits de la classe display board to promote the program at your Festival.

#4 Promote to Families

During your Festival, direct customers to the displayed wish lists so they can purchase books and help build classroom libraries. Use the poster in your Kick-off Kit to promote the program!

#5 Deliver the New Books!

Deliver the purchased books to teachers at the end of your Festival!
