ALLONS-Y!

ISSUE 1 • VOL. 32 • ISSN 0957-6215

Salut les profs !

Welcome back to a brand-new series of *Allons-y!* We hope you and your students have had a relaxing summer and are ready to dive into a new magazine full of fun, fascinating French content! To kick-start the year, we are finding out about **school routines** from Senegal to the south of France! Our exciting new **video series** is filmed in the beautiful town of Biarritz. Head online to watch and meet the teens who live there!

To get your classes back into the school routine and open their eyes to life in French-speaking countries, we also take a trip back in time to learn **what school was like in the past**. Head to page 12 to see how things have changed—what differences can your students spot between school in olden times and their 21st-century education?

There's also plenty to explore online. Go to the website to download your **audio** and **listen along tracks**, **worksheets**, **Teachers' Guide with lesson plans**, and—new for 2024—**Google Quizzes!** With ready-made questions and automatic grading, they're guaranteed to make teaching life easier!

Happy Learning!
