Salut les profs !

Welcome back to a new school year, and a brand-new series of *Bonjour!* We hope you and your students had a great summer and that you're excited to dive into a magazine full of engaging, multicultural French content! How would your classes like to travel back in time? On pages 6-7, we go behind the scenes of a fascinating TV show, where French teenagers experience **school life from 1880 to 1980!** From sewing lessons to surprising school rules, it'll open their eyes to how much life has changed. Plus, get your students talking with our **debate on school uniforms** on pages 8-9 and in our new online **video**, where a French teen in Biarritz shares their thoughts on a proposed new law being trialled in France. How do they feel about being told what to wear to school?

There's even more to explore online. Head to the website for **audio** and **listen along tracks**, **worksheets**, a Teachers' Guide with **lesson plans**, and—new for 2024—**Google Quizzes!** With ready-made comprehension tests and automatic grading, it's a great way to kick off lesson planning and make teaching life easier!

Happy learning!
