EL SOL

ISSUE 1 • VOL. 63 • ISSN 0038-0849

¡Hola profesores!

Welcome back to a new series of *El Sol* magazine! We hope you and your students have had a great start to the school year, and that you're ready to dive into some fun, multicultural Spanish content!

In this issue, there's plenty to resonate with your students and get them talking. As they move toward the end of their school life and have lots of decisions to make, **we find out what four Mexican teens are planning to do once they leave school**. Plus, your students may soon be earning the right to vote. In our debate, **we ask whether voting should be compulsory**.

There's even more to explore online, including our latest **video** filmed in Barcelona, Spain! On our website, you can also find all of your extra resources, including **audio** and **listen along tracks**, **worksheets**, a Teachers' Guide full of useful **lesson plans**, and—new for 2024—**Google Quizzes** with ready-made questions and automatic grading!

Happy learning!
