Boost Engagement With Scholastic News

Dear Teachers,

We don't have to tell you that kids light up when they connect with what they are learning. That kind of excitement makes learning fun—and helps knowledge stick!

Scholastic News is grateful to be your partner in creating engaging, memorable moments in the classroom. And the printed articles are just the beginning!

Our website has even more ways to boost engagement. **Go online** for **videos, vocabulary slideshows, interactive skill games, reading comprehension sheets**, and more.
