Introducing: Fun Phonics Practice!

Scholastic News remains your source of engaging nonfiction content. But each month look for tons of opportunities for extra phonics practice! Here are some of this month's activities.

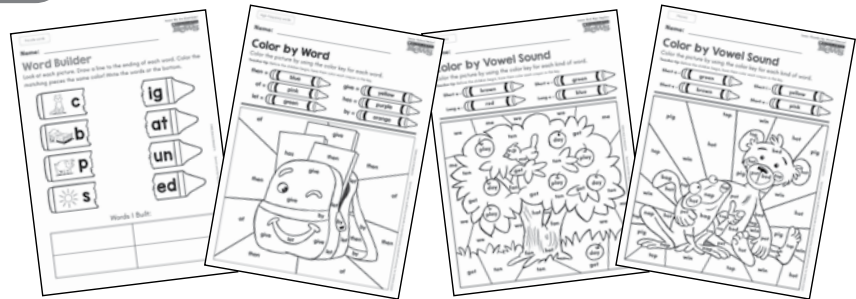

Interactive Phonics Games

Look for at least one phonics game per month. This month, the **Apple Word Families** game pairs perfectly with our **Red, Ripe Apples** article.

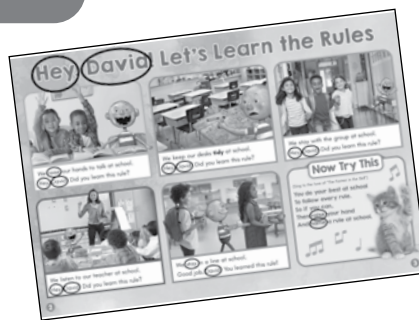

Phonics Skill Sheets

You'll get four printable phonics skill sheets each month. This month's sheets include vowel sounds and encoding CVC words.

Lesson Plan: Phonics Focus

Find our lesson plans online! They include ideas for how to reinforce phonics skills by using the text in the magazine. This month, kids search for different spellings of the long-*a* sound in the article **School Rules!**

Have more phonics fun all year long!
