Real-World Topics Real Student ENGAGEMENT

Our K-12 **Scholastic Magazines+** bring curriculum to life by connecting core subjects to the real-world students are experiencing right now. Each issue is built around timely, relevant topics, helping teachers seamlessly tie current events into learning outcomes. Whether it's analyzing data from a recent environmental story, exploring the cultural impact of global events, or strengthening reading comprehension through high-interest fiction and nonfiction, our content is designed to align with curriculum

expectations while capturing student curiosity. More than just engaging reads, our magazines are practical teaching tools. Every article is crafted with classroom application in mind, supporting differentiated instruction, critical thinking, and cross-curricular connections. Teachers can confidently use our resources to spark meaningful discussions and build critical thinking skills. Meet curriculum goals while keeping students informed, inspired, and eager to learn with **Scholastic Magazines+**.
