cheese

frittata

pizza

cheesecake

lemon

potatoes

Read the words you wrote.

Wedges

Name:

Date:

Draw pictures to show wedges that are used to cut things.

WEDGES THAT CUT THINGS

Wedges

Concept: You can use a wedge to force things apart.

What You Need:

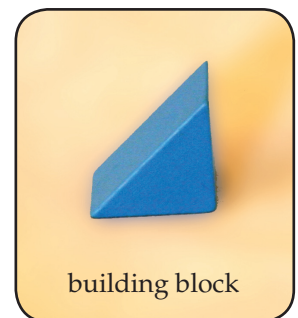

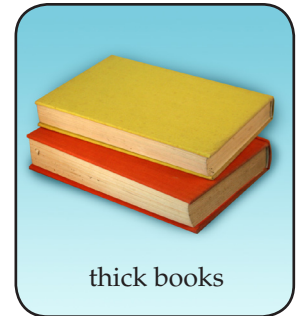

- two thick books
- wedge-shaped building block

What You Do:

- Stand the books upright on a desk or table.
- Have a friend press the books together as tightly as they can.
- Push the narrow edge of the building block between the books.
- Gently push the wedge further between the books.

What You Should Notice:

As you push the wedge, the books are forced apart.

Explanation:

Explain why the books are forced apart by the wedge.
