Date:

Write two sentences about this photo.

Start one sentence with – *This plant is a ...*

Use some of these words –

fly, guard hairs, trapped,
venus fly trap

Read your sentences.

Plant Carnivores

Name:

Date:

Label the pictures using these words :
frog, pink flower, pond, stem, white flower, yellow flower

A large central photograph shows a green frog with dark spots sitting in a pond. Several yellow flowers on thin stems are growing out of the water. Surrounding this main image are six empty, rounded rectangular label boxes. Arrows point from each box to a specific part of the scene: one points to a white flower with a yellow center (top left), one points to a yellow flower (top middle), one points to a yellow flower (top right), one points to the frog's body (bottom middle), one points to a pink flower (bottom left), and one points to the water surface (bottom right).

Read the words you wrote.
