Who Lives Near Sam?

Name:

Date:

Label each picture with the correct animal name :
sloth, poison dart frog, spider monkey, lesser anteater,
blue morpho butterfly, white-faced monkey, red-eyed tree frog

A collection of seven circular images of animals, each with a white rounded rectangular label box next to it for identification. The animals are: a red and blue poison dart frog, a lesser anteater, a white-faced monkey, a sloth (circled in red), a spider monkey, a blue morpho butterfly, and a red-eyed tree frog.
